Code of Laws, 1976, as amended, shall also set the millage rate necessary to raise the levy for debt service on bonded indebtedness. To the extent required by Section 6-1-320 of the S.C. Code of Laws, 1976, as amended, any millage rate set above that for the previous fiscal year, which shall be in excess of the increase of average of the twelve monthly consumer price indexes for the most recent twelve month period consisting of January through December of the preceding calendar year, i.e. 2007, plus the percentage increase in the previous year in the population of the County as determined by the Office of Research and Statistics of the State Budget and Control Board, shall only be imposed by a two thirds vote of the membership of Newberry County Council and only for one or more of those five purposes specified in Section 6-1-320 (B) of the S.C. Code of Laws, 1976, as amended, to wit: (1) the deficiency of the preceding year; (2) any catastrophic event outside the control of the governing body such as a natural disaster, severe weather event, act of God, or act of terrorism, fire, war, or riot; (3) compliance with a court order or decree; (4) taxpayer closure due to circumstances outside the control of the governing body that decreases by ten percent or more the amount of revenue payable to the taxing jurisdiction in the preceding year; or (5) compliance with a regulation promulgated or statute enacted by the federal or state government after the ratification date of the amendments to § 6-1-320 set forth in 2006 Act No. 388, Pt II, § 2.A., for which an appropriation or a method for obtaining an appropriation is not provided by the federal or state government. Any such tax imposed for such purpose must be listed on the tax statement as a separate surcharge, with an explanation of the reason for each separate surcharge.

Reserve Fund Maintenance

In accordance with Code Section 6-1-320 (D) of the South Carolina Code of Laws 1976, as amended, Newberry County Council instructs the County Auditor to levy a separate Reserve Fund Maintenance Millage for purposes of ensuring the County's ability to maintain sufficient financial reserves to meet unforeseen budgetary needs of the County, and to ensure the timely expenditure of budgeted appropriations. For any year(s) in which County Council does not specifically budget revenue needs for this purpose, the millage levy shall nonetheless be nominally printed on the tax bills as a "Reserve Fund" levy, expressing the need for no ad valorem taxation (0.00 mills) for this purpose.

PROVIDED FURTHER that telephone services for the County departments shall be paid for from within the budgeted amounts, however, the County may not accept any collect calls nor shall it pay for long distance service charges for federal and state agencies, independent commissions and boards except for reimbursement other than those which are approved in the budget object codes.

PROVIDED FURTHER that any automotive or heavy equipment replaced by new vehicles or equipment shall be turned in to the County Purchasing Director on a one for one basis or as otherwise approved by the County Administrator. If no other department has need for these vehicles, all equipment turned in shall either be disposed of by the Purchasing Director in accordance with the purchasing policies and applicable state laws with the approval of the County Administrator, or disposed of as directed by the County Administrator or Council.

PROVIDED FURTHER that all service charges, fees, fines and other monies received by the County Departments shall be deposited with the County Treasurer's Office or to an official County depository directly within 24 hours of collection, but preferably on the same day as collected, unless approved by the County Administrator. Exceptions to this shall be as follows: The Sheriff and Tax Assessor may hold up to \$100.00 but shall deposit funds at least once a week. Deposits shall be made on the day of remittance in all other departments as spoken to above. In no event shall any department collect and hold without depositing any sums in excess of \$250.00. Deposits must be made for all sums at least once per week.

PROVIDED FURTHER that the County Administrator is authorized to establish fees for the various departments and agencies for miscellaneous services and items such as copies, maps, books, etc. produced in response to requests under the Freedom of Information Act, according to guidelines which have been administratively determined or which may be established by the County Council in accordance with applicable law. The fees set forth on Schedule A attached hereto are specifically approved by County

Council and shall remain in full force and effect until modified by subsequent action of Newberry County Council.

PROVIDED FURTHER that all advisory boards and committees are required to furnish at least annually a report of their organization and their recommendations to the County Council. It is recommended that these committees and boards should report their progress and recommendations quarterly. All boards and commissions shall submit to the County Administrator's Office an annual report of attendance by the members serving in the particular organization. The County Council may replace those that are out of compliance with attendance requirements.

PROVIDED FURTHER that any State Agency funded in part by the County must submit a copy of that agency's audit in order to satisfy the County's financial reporting requirements; it shall adhere to the single audit concept. All other outside agencies funded by the County shall submit quarterly financial statements showing expenditures of County funds in the previous quarter and an annual statement at the end of the year. All agencies funded by the County, which are not state agencies, in amounts over \$10,000, should provide the County with an audit report performed by an independent external auditor. In the event that an agency so funded does not have an external audit report, this requirement may be waived upon a letter of request to the County Council explaining the situation and detailing the cost of said audit in the relationship to the amount of County funds received.

PROVIDED FURTHER that at the end of Fiscal Year 2007-2008, any funds budgeted for capital projects or outlay which have not been completed and not transferred to any other object code, road paving or improvement projects, grant funds which have not been expended, capital items authorized by purchase order but not received, or accommodations tax funds approved by the County Council which have not been expended, shall reflect as an encumbered fund balance in the Comprehensive Financial Report and shall be brought forward to the Fiscal Year 2008-2009 budget as encumbered funds. Funds which were appropriated in the Fiscal Year 2007-2008 budget, but not requested or encumbered prior to the end of the fiscal year, shall become part of the general fund for the new fiscal year, except as otherwise provided.

PROVIDED FURTHER any funds received during Fiscal Year 2008-2009 as a result of new grants accepted by the County Council, appropriations of Accommodations Tax Fund Balances approved by the County Council or appropriations from any capital project or other revenues recognized by the County Council, or from other new revenues, any of which increase the projected revenue or the original budget appropriation shall require a supplemental budget ordinance, which may be adopted toward or after the end of the fiscal year to reconcile all such adjustments in revenues and appropriations.

PROVIDED FURTHER any unexpended special source revenue funds which are required by state or federal statute to be carried forward to the new fiscal year and expended for the same designated purposes, and which funds are not otherwise mentioned herein, shall be deemed to have been so carried forward, and the Finance Director and the County Treasurer are directed and required to make the necessary budget adjustments to reflect these matters.
