Recreation - The Newberry County Recreation Commission is made up of two (2) representatives appointed by each council member to serve their district and the county as a whole to appropriate funds allocated in the County budget. The Commission meets on a monthly basis and uses called meetings to discuss, vote and approve funds for many recreational programs throughout the county. The funds are used as seed money for the approved programs. The Commission has made it a practice of only partially funding programs so that the limited funding that they have available to them can help as many citizens in the county as possible.
